

Can We Help?

Age Action's Care and Repair does small DIY jobs, free of charge, for older people to help them maintain their homes and their independence.

Age Action's Care and Repair prioritises carrying out jobs in the homes of older people who are being discharged or have recently been discharged from hospital. If someone is coming out of hospital, no matter where they live, we would support them to make sure their home is safe.

Care and Repair can remove trip hazards, install handrails, replace toilet seats or move a bed downstairs to make sure the home is ready for their return.

If you require work done in your home to make it safer after a stay in hospital we can help.

If you are a professional working with older people who would benefit from this service you can download a referral form from www.ageaction.ie.
