5.1 Cllr. Michael Fitzgerald (Ref. ID 2660)

That funding be sought to resurface the L4211-2 from the Cross of the Tree to Cooney's, part of this road is classified "Red" and badly needs attention.

5.2 Cllr. Michael Fitzgerald (Ref. ID 2661)

That part of the road known as the Fourpenny Road, Golden be included for any extra funding in 2023-24.

5.3 Cllr. Michael Fitzgerald (Ref. ID 2662)

That this Municipal Authority seek an urgent meeting with the T.I.I to discuss the serious amount of accidents on the N24 between Tipperary Town and the county bounds just after Monard. The residents should also be involved in any meeting that is hopefully called.

5.4 Cllr. Declan Burgess & Cllr. Andy Moloney (Ref. ID 2663)

Can management please update members on the Cahir to Cashel cycleway and outline any progress with this important outdoor recreational project.

5.5 Cllr. Andy Moloney (Ref. ID 2674)

That this council request the Minister for Justice, to give a full report to the members on the changes in the Garda Policing Districts and that the Cahir Station will not be downgraded as a result and will hold its numbers and be considered for extra recruits been located on the busiest crossroads in Munster.

5.6 Cllr. Declan Burgess (Ref. ID 2675)

That this Municipal District reviews the Rock of Cashel Car Park design, in order to maximise capacity at this location.

5.7 Cllr. Andy Moloney (Ref. ID 2676)

That this council seek an allocation from the department for estates taken in charge without any bonds and an increase in town budgets for the maintenance of such towns going forward and a staff allocation pro rata.

5.7 Cllr. Tony Black (Ref. ID 2685)

That this council will investigate the possibility of traffic calming and speed reduction measures between

Limerick Junction and Monard at Ballykisteen. This is a dangerous stretch of road with multiple collisions and fatalities in recent years. This council should explore every possibility available to make this stretch of road safer for road users and for local residents.

5.8 Cllr. Tony Black (Ref. ID 2686)

That this council would remove the tree and section of built out footpath outside 38 Pearse Park to allow for extra residential parking spaces. The area is full of cars and there aren't nearly enough parking spaces.

5.9 Cllr. Tony Black (Ref. ID 2687)

That this council would explore the possibility of providing traffic calming measures on the stretch of road outside Shronell National School. The speed limit is quite high for a stretch of road outside a school. Traffic calming measures would ensure safer access to the school for students, parents and staff.

5.10 Cllr. Micheál Anglim (Ref. ID 2688)

That this Council secure without delay the funds to put in place a Bigbelly Waste Bin in the villages of Ardfinnan and Ballyporeen.
