Notices of Motion

5.1 Cllr. Tony Black (Ref. ID 2726)

That this council would resurface the road in Knockanrawley, Tipperary Town leading from Bansha Road, past the Miners Cottages, to the top of the cul-de-sac. It hasn't been done for decades and is in a state of disrepair in many parts.

5.2 Cllr. Tony Black (Ref. ID 2727)

That this council would erect a plaque in Tipperary Town to commemorate An Forsa Cosanta Aitiul (FCA) now the Reserve Defence Forces (RDF). The FCA was once a mainstay of Tipperary Town and many families had members who served in the force. There is nothing to honour the locals who served and I request that in consultation with the local Order of National Ex-Servicemen (ONE) that this council would find a suitable location in the town and erect a plaque or memorial.

5.3 Cllr. Tony Black (Ref. ID 2728)

That this council would outline a timeline and plan to complete the remaining footpath replacement works in the West End of Tipperary Town. Requests have been made regarding Canon Hayes Park, John O'Leary Place, Lacey Villas, Emmet Street and Redmond Square. It is understandable that not all areas can be completed at the same time or immediately. However, if a timeline was provided for completion of these works it would put residents minds at ease.

5.4 Cllr. Roger Kennedy (Ref. ID 2730)

That the footpath from Clonoulty Village and Clonoulty School be continued from Simon's to the GAA pitch and Clonoulty Playground in the interest of safety.

5.5 Cllr. Roger Kennedy (Ref. ID 2731)

That footpaths be upgraded in Emly Village in line with Tidy Town report recommendations.

5.6 Cllr. Declan Burgess (Ref. ID 2732)

That this Municipal writes to the Minister of Transport calling on his Department to engage with Bus Eireann, the NTA and any other necessary stakeholders to examine the possibility of returning the Dublin Airport stop to the 245X service (formerly X8).
