Notices of Motion

8.1 Councillor Michael Murphy (Ref ID 2846)

I refer to the triangular shaped crossing at the bottom of Parnell Street (immediately outside the Junction Cafe), and the confusion as to who has the right of way, pedestrians or traffic. Can the Council provide clarification in this regard, more importantly, that signage is erected to make it more easily identifiable as to who has right of way, and in so doing mitigate against a potential accident.

8.2 Councillor Richie Molloy (Ref ID 2853)

That Clonmel Borough District replaces the bollard that has been damaged at the junction at Heywood Road / road to Rugby Club as this will prevent cars from turning right on to N24 as agreed by previous motions.

8.3 Councillor Michael Murphy (Ref ID 2857)

Following on from previous NOMs, that the Council install a speed ramp at Dromard Crescent, in particular between houses numbers 1 - 12. Real and genuine concern amongst resident that an accident is waiting to happen.

8.4 Councillor John Fitzgerald (Ref ID 2862)

That this Council install ramps at Ballyclerihan Crescent, Clerihan village. On the initial section of the estate (older houses) as speeding incidents have been reported on through traffic.

8.5 Councillor Richie Molloy (Ref ID 2865)

That Clonmel Borough District introduce an OAP rate for people using the Gym at Clonmel Swimming Pool.

8.6 Councillor Richie Molloy (Ref ID 2868)

That Clonmel Borough District fill in a number of pot holes on the Western Road in Clonmel before the winter season commences.

8.7 Councillor Siobhán Ambrose (Ref ID 2874)

In the interest of safety that the Council's roads team look at upgrading the Junction at Ormonde Stores in Kilsheelan. This motion follows representations from concerned residents in the area following numerous recent accidents at this location.

8.8 Councillor Siobhán Ambrose (Ref ID 2875)

That under the Council's 2025 roads programme that consideration is given for the re-surfacing of the final section of the road network in Ballingarrane housing estate.

8.9 Councillor Siobhán Ambrose (Ref ID 2876)

That under the Council's 2025 roads programme that consideration is given for the re-surfacing of sections of the road network from the crossroads at St. Patrick's Well in Marfield down to Loughtally.
