TIPPERARY COUNTY COUNCIL
Application for Declaration under Section 5

Planning & Development Act 2000, as amended
Planning & Development Regulations 2001, as amended

Planning Ref.: S5/24/150

Applicant: James Maher

Development Address: No. 8 St. Brigids Villas, Borrisoleigh

Proposed Development: Single storey extension to rear of existing terraced dwelling house. Area of extension measures 22sqm and there are no windows facing neighbouring houses

1. GENERAL

On the 16th December 2024 a request was made for a declaration under Section 5 of the Planning and Development Act 2000 (as amended) as to whether the following is “development” and “exempt development”:

Single storey extension to rear of existing terraced dwelling house. Area of extension measures 22sqm and there are no windows facing neighbouring houses

2. STATUTORY PROVISIONS

The following statutory provisions are relevant to this referral case;

Section 3(1) of the Planning and Development Act 2000 (as amended) states as follows:-

“In this Act, except where the context otherwise requires, “development” means—

- (a) the carrying out of any works in, on, over or under land, or the making of any material change in the use of any land or structures situated on land, or*
- (b) development within the meaning of Part XXI (inserted by section 171 of the Maritime Area Planning Act 2021).]*

Section 2(1) of the Planning and Development Act, 2000, (as amended), defines “works” as: -

“works” includes any act or operation of construction, excavation, demolition, extension, alteration, repair or renewal and, in relation to a protected structure or proposed protected structure, includes any act or operation involving the application or removal of plaster, paint, wallpaper, tiles or other material to or from the surfaces of the interior or exterior of a structure.

Section 4(2)(a) of the Planning and Development Act 2000 (as amended) states as follows: -

The Minister may by regulations provide for any class of development to be exempted development for the purposes of this Act where he or she is of the opinion that—

- (i) by reason of the size, nature or limited effect on its surroundings, of development belonging to that class, the carrying out of such development would not offend against principles of proper planning and sustainable development, or*

(ii) the development is authorised, or is required to be authorised, by or under any enactment (whether the authorisation takes the form of the grant of a licence, consent, approval or any other type of authorisation) where the enactment concerned requires there to be consultation (howsoever described) with members of the public in relation to the proposed development prior to the granting of the authorisation (howsoever described).

Section 4(4) of the Planning and Development Act 2000 (as amended) states as follows: -

Notwithstanding paragraphs (a), (i), (ia) and (l) of subsection (1) and any regulations under subsection (2), development shall not be exempted development if an environmental impact assessment or an appropriate assessment of the development is required.

Planning and Development Regulations 2001 (as amended)

Article 6 of the Planning and Development Regulations 2001 (as amended) states:

Exempted Development

(1) Subject to article 9, development of a class specified in column 1 of Part 1 of Schedule 2 shall be exempted development for the purposes of the Act, provided that such development complies with the conditions and limitations specified in column 2 of the said Part 1 opposite the mention of that class in the said column 1.

Schedule 2, Part 1	
<i>Exempted Development – General</i>	
Column 1 Description of Development	Column 2 Conditions and Limitations
<p><i>Development within the curtilage of a house</i> CLASS 1 The extension of a house, by the construction or erection of an extension (including a conservatory) to the rear of the house or by the conversion for use as part of the house of any garage, store, shed or other similar structure attached to the rear or to the side of the house.</p>	<p>1. (a) Where the house has not been extended previously, the floor area of any such extension shall not exceed 40 square metres.</p> <p>(b) Subject to paragraph (a), where the house is terraced or semi-detached, the floor area of any extension above ground level shall not exceed 12 square metres.</p> <p>(c) Subject to paragraph (a), where the house is detached, the floor area of any extension above ground level shall not exceed 20 square metres.</p> <p>2. (a) Where the house has been extended previously, the floor area of any such extension, taken together with the floor area of any previous extension or extensions constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 40 square metres.</p> <p>(b) Subject to paragraph (a), where the house is terraced or semi-detached and has been extended previously, the floor area of any extension above ground level taken together with the floor area of any previous extension or extensions above ground level constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 12 square metres.</p> <p>(c) Subject to paragraph (a), where the house is detached and has been extended previously, the floor area of any extension above ground level, taken together with the floor area of any previous extension or extensions above ground level constructed or erected after 1 October</p>

	<p>1964, including those for which planning permission has been obtained, shall not exceed 20 square metres.</p> <p>3. Any above ground floor extension shall be a distance of not less than 2 metres from any party boundary.</p> <p>4. (a) Where the rear wall of the house does not include a gable, the height of the walls of any such extension shall not exceed the height of the rear wall of the house.</p> <p>(b) Where the rear wall of the house includes a gable, the height of the walls of any such extension shall not exceed the height of the side walls of the house.</p> <p>(c) The height of the highest part of the roof of any such extension shall not exceed, in the case of a flat roofed extension, the height of the eaves or parapet, as may be appropriate, or, in any other case, shall not exceed the height of the highest part of the roof of the dwelling.</p> <p>5. The construction or erection of any such extension to the rear of the house shall not reduce the area of private open space, reserved exclusively for the use of the occupants of the house, to the rear of the house to less than 25 square metres.</p> <p>6. (a) Any window proposed at ground level in any such extension shall not be less than 1 metre from the boundary it faces.</p> <p>(b) Any window proposed above ground level in any such extension shall not be less than 11 metres from the boundary it faces.</p> <p>(c) Where the house is detached and the floor area of the extension above ground level exceeds 12 square metres, any window proposed at above ground level shall not be less than 11 metres from the boundary it faces.</p> <p>7. The roof of any extension shall not be used as a balcony or roof garden.</p>

Article 9 (1) (a) of the Planning and Development Regulations 2001, as amended sets out the instances where development, to which Article 6 relates, shall not be exempted development for the purposes of the Act.

3. ASSESSMENT

a. Site Location

The subject site is located at 8 St, Brigids Villas, Borrisoleigh and is zoned for Existing Residential use in the Borrisoleigh Settlement Plan in the Tipperary County Development Plan, 2022.

b. Relevant Planning History

No planning history traced. It is noted that the dwellings are pre-1963

Adjacent:

None relevant

4. ASSESSMENT

A) "Is or is not Development"

It is considered that the above listed proposal constitutes “works” as understood by the Planning and Development Act 2000 (as amended). The above listed proposals therefore constitute “development” within the meaning of the Planning and Development Act 2000 (as amended).

B) “Is or is not Exempted Development”

The works proposed comprise of the construction of an extension measuring 22sqm to the rear of an existing authorised dwelling.

Having reviewed the conditions and limitations associated with Class 1, it is not considered that any apply in this instance as set out below:

1. (a) Where the house has not been extended previously, the floor area of any such extension shall not exceed 40 square metres. (b) Subject to paragraph (a), where the house is terraced or semi-detached, the floor area of any extension above ground level shall not exceed 12 square metres.(c) Subject to paragraph (a), where the house is detached, the floor area of any extension above ground level shall not exceed 20 square metres.

The dwelling has not been extended previously. The drawings of the existing dwelling submitted show an existing two storey dwelling with the proposed single storey extension to the rear of the dwelling, with a floor area of 22sqm. The proposals satisfy the condition and limitation under Class 1 a).

The house is a terraced dwelling and no above ground flood extension is proposed. The proposal is not limited under Class 1 b).

2. (a) Where the house has been extended previously, the floor area of any such extension, taken together with the floor area of any previous extension or extensions constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 40 square metres.(b) Subject to paragraph (a), where the house is terraced or semi-detached and has been extended previously, the floor area of any extension above ground level taken together with the floor area of any previous extension or extensions above ground level constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 12 square metres.

(c) Subject to paragraph (a), where the house is detached and has been extended previously, the floor area of any extension above ground level, taken together with the floor area of any previous extension or extensions above ground level constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 20 square metres.

The dwelling has not been extended previously. This condition/limitations is therefore not applicable.

3. Any above ground floor extension shall be a distance of not less than 2 metres from any party boundary.

The proposed extension will be at ground floor level only. This condition/limitations is therefore not applicable.

4. (a) Where the rear wall of the house does not include a gable, the height of the walls of any such extension shall not exceed the height of the rear wall of the house.

The rear wall of the house does not include a gable. The height of the extension do not exceed the height of the rear wall of the house.

(b) Where the rear wall of the house includes a gable, the height of the walls of any such extension shall not exceed the height of the side walls of the house.

The rear wall of the house does not include a gable. This condition/limitations is therefore not applicable.

(c) The height of the highest part of the roof of any such extension shall not exceed, in the case of a flat roofed extension, the height of the eaves or parapet, as may be appropriate, or, in any other case, shall not exceed the height of the highest part of the roof of the dwelling.

The extension is a mono pitched roof and its height does not exceed the height of the highest part of the roof of the dwelling.

5. The construction or erection of any such extension to the rear of the house shall not reduce the area of private open space, reserved exclusively for the use of the occupants of the house, to the rear of the house to less than 25 square metres.

The private open space to the rear of the house is in excess of 25sqm. The layout plan provided with the application shows a garden area of 128 sq m will remain with the extension in place.

6. (a) Any window proposed at ground level in any such extension shall not be less than 1 metre from the boundary it faces.

All proposed windows at ground level are in excess of 1 metre from the boundary they face.

(b) Any window proposed above ground level in any such extension shall not be less than 11 metres from the boundary it faces

The proposed extension is at ground floor level only. This condition/limitations is therefore not applicable.

(c) Where the house is detached and the floor area of the extension above ground level exceeds 12 square metres, any window proposed at above ground level shall not be less than 11 metres from the boundary it faces.

The proposed extension is at ground floor level only. This condition/limitations is therefore not applicable.

7. The roof of any extension shall not be used as a balcony or roof garden.

The proposal does not include for the use of the roof as a balcony.

C) Restrictions under Article 9

Restrictions on exemption.

Article 9. (1) Development to which article 6 relates shall not be exempted development for the purposes of the Act— (a) if the carrying out of such development would—

(i) contravene a condition attached to a permission under the Act or be inconsistent with any use specified in a permission under the Act,

There is no planning permission attached to this site. It is noted that the house is pre-1963.

(ii) consist of or comprise the formation, laying out or material widening of a means of access to a public road the surfaced carriageway of which exceeds 4 metres in width,

There is no proposal to open an access

(iii) endanger public safety by reason of traffic hazard or obstruction of road users,

The proposed development does not give rise to traffic hazard or obstruction of road users.

(iv) except in the case of a porch to which class 7 specified in column 1 of Part 1 of Schedule 2 applies and which complies with the conditions and limitations specified in column 2 of the said Part 1 opposite the mention of that class in the said column 1, comprise the construction, erection, extension or renewal of a building on any street so as to bring forward the building, or any part of the building, beyond the front wall of the building on either side thereof or beyond a line determined as the building line in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,

The proposed development is to the rear of the property.

(v) consist of or comprise the carrying out under a public road of works other than a connection to a wired broadcast relay service, sewer, water main, gas main or electricity supply line or cable, or any works to which class 25, 26 or 31 (a) specified in column 1 of Part 1 of Schedule 2 applies,

N/a

(vi) interfere with the character of a landscape, or a view or prospect of special amenity value or special interest, the preservation of which is an objective of a development plan for the area in which the development is proposed or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,

N/a

(vii) consist of or comprise the excavation, alteration or demolition (other than peat extraction) of places, caves, sites, features or other objects of archaeological, geological, historical, scientific

or ecological interest, the preservation, conservation or protection of which is an objective of a development plan or local area plan for the area in which the development is proposed or, pending the variation of a development plan or local area plan, or the making of a new development plan or local area plan, in the draft variation of the development plan or the local area plan or the draft development plan or draft local area plan,

N/a

(viiA) consist of or comprise the excavation, alteration or demolition of any archaeological monument included in the Record of Monuments and Places, pursuant to section 12 (1) of the National Monuments (Amendment) Act 1994, save that this provision shall not apply to any excavation or any works, pursuant to and in accordance with a consent granted under section 14 or a licence granted under section 26 of the National Monuments Act 1930 (No. 2 of 1930) as amended,

(viiB) comprise development in relation to which a planning authority or An Bord Pleanála is the competent authority in relation to appropriate assessment and the development would require an appropriate assessment because it would be likely to have a significant effect on the integrity of a European site,

(viiC) consist of or comprise development which would be likely to have an adverse impact on an area designated as a natural heritage area by order made under section 18 of the Wildlife (Amendment) Act 2000.

(viii) consist of or comprise the extension, alteration, repair or renewal of an unauthorised structure or a structure the use of which is an unauthorised use,

(ix) consist of the demolition or such alteration of a building or other structure as would preclude or restrict the continuance of an existing use of a building or other structure where it is an objective of the planning authority to ensure that the building or other structure would remain available for such use and such objective has been specified in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,

N/a

(x) consist of the fencing or enclosure of any land habitually open to or used by the public during the 10 years preceding such fencing or enclosure for recreational purposes or as a means of access to any seashore, mountain, lakeshore, riverbank or other place of natural beauty or recreational utility,

N/a

(xi) obstruct any public right of way,

N/a

(xii) further to the provisions of section 82 of the Act, consist of or comprise the carrying out of works to the exterior of a structure, where the structure concerned is located within an architectural conservation area or an area specified as an architectural conservation area in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan and the development would materially affect the character of the area,

N/a

It is noted that no restrictions on exemptions under Article 9 of the Planning and Development Regulations 2001 (as amended) that would apply.

5. ENVIRONMENTAL IMPACT ASSESSMENT (EIA) & APPROPRIATE ASSESSMENT

(AA):

Section 4(4) of the Planning and Development Act 2000 (as amended) states:

Notwithstanding paragraphs (a), (i), (ia) and (l) of subsection (1) and any regulations under subsection (2), development shall not be exempted development if an environmental impact assessment or an appropriate assessment of the development is required.

The proposed development is not a type of development included for under Schedule 5 of the Planning and Development Regulations 2001 (as amended). EIA is therefore not required.

The proposed development has been screened as to the requirement for AA and it has been determined that AA is not required. See Screening Report attached.

6. RECOMMENDATION

In considering this declaration the Planning Authority had regard to:

- Sections 2, 3 & 4 of the Planning and Development Act 2000 (as amended)
- Part 1 Class 1 of Schedule 2 Planning & Development Regulations 2001, as amended.
- Articles 6 and 9 of the Planning & Development Regulations 2001, as amended

Tipperary County Council has concluded that the proposed single storey extension to rear of the existing terraced dwelling house with an area of extension measures 22sqm with no windows facing neighbouring houses at 8 St. Brigids Villas, Borrisoleigh **is development within the meaning of the Planning and Development Act 2000, as amended and is Exempted Development.**

STEP 3. Assessment of Likely Significant Effects

(a) Identify all potential direct and indirect impacts that may have an effect on the conservation objectives of a European site, taking into account the size and scale of the project under the following headings:

Impacts:	Possible Significance of Impacts: (duration/magnitude etc.)
<p>Construction phase e.g.</p> <ul style="list-style-type: none"> • Vegetation clearance • Demolition • Surface water runoff from soil excavation/infill/landscaping (including borrow pits) • Dust, noise, vibration • Lighting disturbance • Impact on groundwater/dewatering • Storage of excavated/construction materials • Access to site • Pests 	No potential impacts
<p>Operational phase e.g.</p> <ul style="list-style-type: none"> • Direct emission to air and water • Surface water runoff containing contaminant or sediment • Lighting disturbance • Noise/vibration • Changes to water/groundwater due to drainage or abstraction • Presence of people, vehicles and activities • Physical presence of structures (e.g. collision risks) • Potential for accidents or incidents 	No potential impacts
In-combination/Other	No potential impacts

(b) Describe any likely changes to the European site:

<p>Examples of the type of changes to give consideration to include:</p> <ul style="list-style-type: none"> • Reduction or fragmentation of habitat area • Disturbance to QI species • Habitat or species fragmentation • Reduction or fragmentation in species density • Changes in key indicators of conservation status value (water or air quality etc.) • Changes to areas of sensitivity or threats to QI • Interference with the key relationships that define the structure or ecological function of the site 	No potential impacts

(c) Are 'mitigation' measures necessary to reach a conclusion that likely significant effects can be ruled out at screening?

Yes No

STEP 4. Screening Determination Statement

The assessment of significance of effects:

Describe how the proposed development (alone or in-combination) is/is **not likely** to have **significant** effects on European site(s) in view of its conservation objectives.

The proposed development is not likely to have significant effects.

Re: Declaration under Section 5 of the Planning and Development Act 2000

Dear Mr Maher,

I refer to your application for a Section 5 Declaration received on 16th December, 2024, in relation to the following proposed works:

Single storey extension to rear of existing terraced dwelling house. Area of extension measures 22sqm and there are no windows facing neighbouring houses **at No 8 St. Brigids Villas, Borrisoleigh, Co. Tipperary.**

WHEREAS a question has arisen as to whether the proposed development is or is not exempted development:

AND WHEREAS Tipperary County Council, in considering this referral, had regard particularly to –

- Sections 2, 3 & 4 of the Planning and Development Act 2000 (as amended)
- Part 1 Class 1 of Schedule 2 Planning & Development Regulations 2001, as amended.
- Articles 6 and 9 of the Planning & Development Regulations 2001, as amended

Tipperary County Council has concluded that the proposed single storey extension to rear of the existing terraced dwelling house with an area of extension measures 22sqm with no windows facing neighbouring houses at 8 St. Brigids Villas, Borrisoleigh **is development within the meaning of the Planning and Development Act 2000, as amended and is Exempted Development.**

NOTE: Any person issued with a Declaration of a Planning Authority may refer the Declaration for review to An Bord Pleanála, 64 Marlborough Street, Dublin 1, within four (4) weeks of the date of issue of the Declaration and on payment of the prescribed fee.

Yours sincerely
